## WE VOTED FOR RIGHTS AT WORK!

**The Howard Government's attack on workers rights has been rejected by the Australian people**

Dear Member,

As you will all be aware, this year has been a very hectic one for your Union.

Apart from my day to day role as your Union representative, I have been busy informing members about the **Your Rights @ Work** campaign.

The new year will bring many challenges for our union and working men and women alike. Although we have got rid of John Howard and his Government, we must now continue our work in making sure Kevin Rudd and the Labor party keeps their promises in tearing up the anti-worker WorkChoices legislation.

I will be on Annual Leave from the 16<sup>th</sup> December 2007 till 4th February 2008. As in previous years I will be contactable by mobile phone on 0407 383 028 and will be available to

attend to any urgent matters that may arise within this period.

**On behalf of myself and the State Executive/Committee of Management of the CFMEU Forestry and Forest Products Division may I take this opportunity to wish you and your loved ones a Merry Christmas and a Happy New Year.**

Thanks again for your understanding in what has been a big year for the CFMEU and the Union movement as a whole. I look forward to seeing you all in the New Year. In the meantime stay and play safe and be sure to have a Xmas drink for me.

In Unity,

Paul Ferreira  
State Secretary
